WINE  
SARAP

*"In the 1990s...some visionary Turkish Companies sought the help of French winemakers to make better use of ideal climate conditions in particular regions of Anatolia" Anatolia 2015*

## Wine Regions of Turkey

Based on agricultural regions

Marmara  
Aegean  
Mediterranean  
Mid-Southern Anatolia  
Mid-Northern Anatolia  
Mid-Eastern Anatolia  
South East Anatolia

*Turkey has an ancient winemaking history stretching back millennia, well before the classic civilisations of Greece and Rome helped to cement the popularity of wine as a cultural cornerstone.*

*Like Italy, Turkey benefits from a vast number of indigenous grape varieties, although many of the varieties are unknown to wine lovers beyond Turkey's borders. Varieties such as **Kalecik Karası** and **Narince**, occasionally blended with international varieties, appear on many labels and really showcase the diversity on offer.*
